Restricted Substances Declaration

Wahl Clipper Corporation (WCC) is committed to protecting the health of customers, employees, and the environment. To protect and improve health, the substances used throughout the supply chain require oversight. In furtherance of oversight, WCC has created a Restricted Substance List (RSL), composed of substances referenced in the regulations listed below. This can be viewed on [Wahl Clipper's Corporate Disclosure](#) website.

Substances listed are regulated in one of three ways:

- Banned – not allowed to be present in articles
- Restricted – allowable in certain concentrations and/or usages
- Declared – presence of substance in an article requires notification and/or warning
